

## Battery Pack and Charger for iPhone

idea: The power to take your shows on the road.

K39264EU

### Product Description

Here's a big boost of power with zero charging cables to pack. Everything you need to charge and power your iPhone or iPod is built in to the Kensington Travel Battery Pack and Charger for iPhone and iPod touch. It even doubles as a kickstand for hands-free landscape viewing of movies and video when you're on the road.

### Features

- Extends play time up to 23 hours music, up to 7 hours of video and up to 5 hours of talk time
- Charges from computer via flip out USB connector
- Compatible with all generations of iPhone
- LED battery gauge displays remaining battery pack power level
- Perfect for long flights and small travel bags
